

FRASER HEALTH

Langley Community Services- Main Building Immunization Clinic

(for children under 5)

Address: 5339 207th St. Langley

Fraser Health is conducting an Immunization Clinic for children under 5 years old at the LCSS collaboration room every Friday (except on statutory holidays) afternoon, from 1:30 pm to 3:30 pm. There will be no more immunization clinic at Willoughby due to busy traffic conditions. Below are the details for the Langley Community Services- main building clinic:

- For now, the clinic will service children under 5yrs. Flu is seasonal, and usually runs from November to April, the clinic will be able to provide covid/flu to clients during flu season.
- The scheduled time for the clinic is from 1:30 pm to 3:30 pm, with the last appointment available at 3:10 pm.
- The clinic is set to begin on March 1st, 2024, and there will be no clinic on statutory holidays.

Tips for Booking:

- For children born outside BC/outside Canada – Before appt can be booked, submit historical immunization records through the Fraser Health e-Portal at www.fraserhealth.ca/immunizationform or to the local Health Unit.
- Clients can book their appt with Fraser Health Central Booking Team: 604-476-7087
