

Physical Literacy *in the* Early Years

FREE
DINNER PROVIDED

This workshop focuses on providing early years staff and parents with an increased understanding of physical literacy development in young children.

- ✓ Active play, fundamental movement skills, risky play and physical literacy.
- ✓ The critical role early years play in the future health and physical literacy of a child.
- ✓ Activities that support active play in the early years.
- ✓ Educational tools for parents which highlight the important role of active play on a child's overall development
