Urban Forest Management Strategy

WE WANT TO HEAR FROM YOU!

It is now Phase 2 of the development of the Urban Forest Management Strategy. This strategy will establish a clear and long-term vision and guidance for the city-wide urban forest growth and management until 2050.

You can find physical copies of the draft strategy and surveys at the front desk of Timms Community Centre and at Langley City Hall in the Corporate Services, Development & Engineering, and Administration Departments.

1 We invite you to read the draft strategy

2 Fill out a quick survey
